General and Revenue Secretariat | File No. | of 194 . | [App. F.-III-2

Serial No.

The Prison Reforms Committee suggested that women prisoners may be confined in an entirely independent block outside the regular barracks in the Central Casual Prison, that adolescents may be kept apart from adults and the females belonging to criminal tribes and convicted of offences against property should be effectively separated from the rest and confined in a separate yard. (Chapter II. Para 20)

The I. G. of Prisons states in respect of this suggestion that women & indefin prisoners are confined in entirely separate blocks in the jails at Mysore and Bangalo As regards the separation of adolescents fr adults, he says that there does not exist enou of convenience in the two jails to carry it out. He however proposes to confine all females belonging to the criminal tribes and convicted of offences against propert in the Mysore jail and the rest in the Central jail..

One part of the recommenda of the Committee cannot therefore be giv effect to in the opinion of the I. G. P. unde
